

STAT TEST LIST

The laboratory is staffed to perform the following list of tests on a STAT basis 24 hours a day, seven days a week. The laboratory tests listed below will be completed within 60 minutes after the time of receipt by the performing laboratory. If results are not available within 60 minutes, please call the laboratory at 704-384-1-LAB (704-384-1522).

| | |
|--|-------------------------------------|
| CHEMISTRY | HEMATOLOGY / COAGULATION |
| Alcohol | CBC |
| Acetaminophen | D-Dimer |
| Ammonia | Fibrinogen |
| Amylase | Platelet Count |
| Basic Metabolic Panel | PT |
| Bilirubin (total and direct) | PTT |
| BUN | Retic Count |
| Calcium | Sed Rate |
| Comprehensive Metabolic Panel | |
| CK | MICROBIOLOGY |
| CKMB | Beta Strep Screen |
| Creatinine | Gram Stain |
| Electrolytes Panel | India Ink Prep |
| Fetal Fibronectin | Influenza A, B Rapid Test |
| Glucose | Mono Test |
| HCG, Qualitative | RSV Antigen Detection |
| HCG, Quantitative | Wet Prep |
| Ionized Calcium | |
| Lactate | MISCELLANEOUS TESTS |
| LD | Body Fluid Analysis, Synovial Fluid |
| Lipase | CSF Analysis |
| Liver Profile (Hepatic Function Panel) | |
| Magnesium | URINE |
| Myoglobin | Urinalysis |
| N-Peptide (BNP) | |
| Osmolality | THERAPEUTIC DRUGS |
| PG, Amniotic Fluid and FLM (Fetal Lung Maturity) | Amikacin |
| Potassium | Carbamazepine (Tegretol) |
| Renal Panel | Digoxin |
| Salicylate | Gentamycin |
| Sodium | Lidocaine |
| Troponin I | Lithium |
| Urine Drugs of Abuse - Medical | Methotrexate |
| | Phenobarbital |
| BLOOD BANK | Phenytoin (Dilantin) |
| ABO/Rh | Procainamide/NAPA |
| Anitbody Screen | Theophylline |
| Postnatal Package | Tobramycin |
| Type and Crossmatch | Valproic Acid |
| Type and Screen | Vancomycin |
